Regarding proposal for decision

As shareholder of Swedbank I submit the following item, proposal for decision, to be added on the agenda for the Annual General Meeting 5 April 2016.

I propose that the AGM resolves to instruct the Board of Directors and/or the CEO to streamline the communication with the co-owners in Swedbank. As background, I will plead a procedural question put forward to the Annual General Meeting in 2015 that still is unanswered. Despite e-mails to Anna Sundblad three times in 2014, to Anders Sundström three times in 2014 and to Claes Warrén once 2015, I still haven't got an answer.

Please, confirm receipt by return letter.

Kind regards,
Göran Westman
