Important Notice

This Information Memorandum replaces in its entirety the Information Memorandum dated 28 August 2015.

Introduction

This Information Memorandum relates to a debt issuance programme (“**Programme**”) established by Swedbank AB (publ) (“**Swedbank**”) and Swedbank Mortgage AB (publ) (“**Swedbank Mortgage**”).

Swedbank is a public limited liability bank company (*Sw: Bankaktiebolag*) incorporated under the laws of the Kingdom of Sweden (“**Sweden**”).

Under the Programme, Swedbank may issue medium term notes (“**Notes**”) and Swedbank Mortgage may issue covered bonds (“**Bonds**”), in each case from time to time and in aggregate up to the Programme Amount (as defined in the section entitled “Summary of the Programme” below). Swedbank Mortgage has published a separate information memorandum that describes the issue of Bonds. This Information Memorandum relates only to the issue of Notes by Swedbank (“**Issuer**”).

*The Issuer is neither a bank nor an authorised deposit-taking institution which is authorised under the Banking Act 1959 of Australia (“**Banking Act**”). The Notes are not obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia. An investment in any Notes will not be covered by the depositor protection provisions in section 13A of the Banking Act and will not be covered by the Australian Government’s bank deposit guarantee (also commonly referred to as the Financial Claims Scheme). Notes that are offered for issue or sale or transferred in, or into, Australia are offered only in circumstances that would not require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act 2001 of Australia (“**Corporations Act**”) and must only be issued and transferred in compliance with the terms of the exemption from compliance with section 66 of the Banking Act that is available to the Issuer (including that such Notes must be issued or transferred in, or into, Australia in parcels of not less than A\$500,000 in aggregate principal amount).*

Issuer’s responsibility

This Information Memorandum has been prepared by, and issued with the authority of, the Issuer.

The Issuer accepts responsibility for the information contained in this Information Memorandum other than information provided by the Arranger, the Dealers and the Agents (each as defined in the section entitled “Summary of the Programme” below) in relation to their respective descriptions in the sections entitled “Summary of the Programme” and “Directory” below.

Terms used in this Information Memorandum but not otherwise defined have the meaning given to them in the Conditions (as defined below).

Place of issuance

Subject to applicable laws and directives, the Issuer may issue Notes under the Programme in any country including Australia and countries in Europe and Asia but not in the United States of America unless such Notes are registered under the United States Securities Act of 1933 (as amended) (“**Securities Act**”) or an exemption from the registration requirements under the Securities Act is available.

Terms and conditions of issue

Notes will be issued in series (each a “**Series**”). Each Series may comprise one or more tranches (each a “**Tranche**”) having one or more issue dates and on conditions that are otherwise identical (other than, to the extent relevant, in respect of the issue price and the amount and date of the first payment of interest).

Each issue of Notes will be made pursuant to such documentation as the Issuer may determine. A pricing supplement and/or another supplement to this Information Memorandum (each a “**Pricing Supplement**”) will be issued for each Tranche or Series of Notes. A Pricing Supplement will contain details of the initial aggregate principal amount, issue price, issue date, maturity date, details of interest (if any) payable together with any other terms and conditions not set out in this Information Memorandum that may be applicable to that Tranche or Series of Notes. The terms and conditions (“**Conditions**”) applicable to the Notes are included in this Information Memorandum and may be supplemented, amended, modified or replaced by the Pricing Supplement applicable to those Notes.

The Issuer may also publish a supplement to this Information Memorandum (or additional Information Memoranda) which describes the issue of Notes (or particular classes of Notes) not otherwise described in this Information Memorandum. A Pricing Supplement or a supplement to this Information Memorandum may also supplement, amend, modify or replace any statement or information set out in a Pricing Supplement or incorporated by reference in this Information Memorandum or a supplement to this Information Memorandum.

European Union (“EU”) Bank Resolution and Recovery Directive

The final text of the Bank Recovery and Resolution Directive (“**BRRD**”), establishing a framework for the prevention, management and resolution of failing credit institutions and investment firms, was published in the Official Journal of the European Union on 12 June 2014 and has been implemented in Sweden. See the section entitled “EU Bank Resolution and Recovery Directive” below for further information.

No independent verification

The only role of the Arranger, the Dealers and the Agents in the preparation of this Information Memorandum has been to confirm to the Issuer that their respective details, Australian Business Number (“**ABN**”) and Australian financial services licence (“**AFSL**”) numbers (where applicable) in the sections entitled “Summary of the Programme” and “Directory” below are accurate as at the Preparation Date (as defined below).

Apart from the foregoing, none of the Arranger, the Dealers (and none of their respective affiliates (“**Dealer Affiliates**”)) or the Agents has independently verified the information contained in this Information Memorandum. Accordingly, no representation, warranty or undertaking, express or implied, is made, and no responsibility is accepted, by any of them, as to the accuracy or completeness of this Information Memorandum or any further information supplied by the Issuer in connection with the Issuer, the Programme or any Notes.

The Arranger, the Dealers, the Dealer Affiliates and the Agents expressly do not undertake to review the financial condition or affairs of the Issuer or any of its affiliates at any time or to advise any holder of a Note of any information coming to their attention with respect to the Issuer and make no representations as to the ability of the Issuer to comply with its obligations under the Notes. None of the Arranger, the Dealers or the Agents make any representation as to the performance of the Issuer, the maintenance of capital or any particular rate of return, nor does the Arranger, any Dealer, any Dealer Affiliate or Agent guarantee the payment of capital or any particular rate of capital or income return, in each case, on the Notes.

No authorisation

No person has been authorised to give any information or make any representations not contained in or consistent with this Information Memorandum in connection with the Issuer, the Programme or the issue or sale of the Notes and, if given or made, such information or representation must not be relied on as having been authorised by the Issuer, the Arranger, the Dealers, the Dealer Affiliates or any of the Agents.

Intending purchasers to make independent investment decision and obtain tax advice

This Information Memorandum contains only summary information concerning the Notes. Neither the information contained in this Information Memorandum nor any other information supplied in connection with the Issuer, the Programme or the issue of any Notes is intended to provide the basis of any credit or other evaluation and should not be considered or relied on as a recommendation or a statement of opinion (or a report of either of those things) by any of the Issuer, the Arranger, the Dealers, the Dealer Affiliates or any Agent that any recipient of this Information Memorandum or any

other information supplied in connection with the Issuer, the Programme or the issue of any Notes should subscribe for, purchase or otherwise deal in any Notes or any rights in respect of any Notes.

Each investor contemplating subscribing for, purchasing or otherwise dealing in any Notes or any rights in respect of any Notes should:

- make and rely upon (and shall be taken to have made and relied upon) its own independent investigation of the financial condition and affairs of, and its own appraisal of the creditworthiness of, the Issuer;
- determine for themselves the relevance of the information contained in this Information Memorandum and any other information supplied in connection with the Programme or the issue of any Notes, and must base their investment decision solely upon their independent assessment and such investigations as they consider necessary; and
- consult their own tax advisers concerning the application of any tax laws applicable to their particular situation.

No advice is given in respect of the legal or taxation treatment of investors or purchasers in connection with an investment in any Notes or rights in respect of them and each investor is advised to consult its own professional adviser.

Risks

Neither this Information Memorandum nor any other information supplied in connection with the Programme or the issue of any Notes describes the risks of an investment in any Notes. Prospective investors should consult their own professional, financial, legal and tax advisers about risks associated with an investment in any Notes and the suitability of investing in the Notes in light of their particular circumstances.

No offer

This Information Memorandum does not, and is not intended to, constitute an offer or invitation by or on behalf of the Issuer, the Arranger, the Dealers, the Dealer Affiliates or the Agents to any person to subscribe for, purchase or otherwise deal in any Notes.

Selling restrictions and no disclosure

Neither this Information Memorandum nor any other disclosure document in relation to the Notes has been, or will be, lodged with the Australian Securities and Investments Commission (“ASIC”). No action has been taken which would permit an offering of the Notes in circumstances that would require disclosure under Part 6D.2 or Chapter 7 of the Corporations Act.

The Information Memorandum is not a prospectus or other disclosure document for the purposes of the Corporations Act.

For a description of certain restrictions on offers, sales and deliveries of the Notes, and on distribution of this Information Memorandum, any Pricing Supplement or other offering material relating to the Notes, see the section entitled “Selling Restrictions” below.

A person may not (directly or indirectly) offer for subscription or purchase or issue an invitation to subscribe for or buy Notes, nor distribute or publish this Information Memorandum or any other offering material or advertisement relating to the Notes except if the offer or invitation, or distribution or publication, complies with all applicable laws and directives.

No registration in the United States

The Notes have not been, and will not be, registered under the Securities Act. The Notes may not be offered, sold, delivered or transferred, at any time, within the United States of America, its territories or possessions or to, or for the account or benefit of, U.S. Persons (as defined in Regulation S under the

Securities Act (“**Regulation S**”)) except in a transaction exempt from, or not subject to, the registration requirements of the Securities Act.

Agency and distribution arrangements

The Issuer has agreed to pay fees to the Agents for undertaking their respective roles and reimburse them for certain of their expenses incurred in connection with the Programme and the offer and sale of Notes.

The Issuer may also pay a Dealer a fee in respect of the Notes subscribed by it, may agree to reimburse the Dealers for certain expenses incurred in connection with this Programme and may indemnify the Dealers against certain liabilities in connection with the offer and sale of Notes.

The Issuer, the Arranger, the Dealers, the Dealer Affiliates and the Agents, and their respective related entities, directors, officers and employees may have pecuniary or other interests in the Notes and may also have interests pursuant to other arrangements and may receive fees, brokerage and commissions and may act as a principal in dealing in any Notes.

The distribution and use of this Information Memorandum, including any Pricing Supplement, advertisement or other offering material, and the offer or sale of Notes may be restricted by law in certain jurisdictions and intending purchasers and other investors should inform themselves about them and observe any such restrictions. In particular, no action has been taken by any of the Issuer, the Arranger, the Dealers, the Dealer Affiliates or any Agents which would permit a public offering of any Notes or distribution of this Information Memorandum or any such document in any jurisdiction where action for that purpose is required.

References to credit ratings

There are references to credit ratings in this Information Memorandum. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the relevant assigning organisation. Each credit rating should be evaluated independently of any other credit rating.

Credit ratings are for distribution only to a person (a) who is not a “retail client” within the meaning of section 761G of the Corporations Act and is also a sophisticated investor, professional investor or other investor in respect of whom disclosure is not required under Part 6D.2 or Chapter 7 of the Corporations Act, and (b) who is otherwise permitted to receive credit ratings in accordance with applicable law in any jurisdiction in which the person may be located. Anyone who is not such a person is not entitled to receive this Information Memorandum and anyone who receives this Information Memorandum must not distribute it to any person who is not entitled to receive it.

Currencies

In this Information Memorandum, references to “**A\$**” or “**Australian dollars**” are to the lawful currency of the Commonwealth of Australia, references to “**Krona**”, “**Swedish Krona**” or “**SEK**” are to the lawful currency of Sweden and references to “**€**”, “**Euro**”, “**EUR**” or “**euro**” are to the lawful currency of the member states of the European Union that have adopted the single currency in accordance with the Treaty establishing the European Community, as amended from time to time.

Currency of information

The information contained in this Information Memorandum is prepared as of its Preparation Date. Neither the delivery of this Information Memorandum nor any offer, issue or sale made in connection with this Information Memorandum at any time implies that the information contained in it is correct, that any other information supplied in connection with the Programme or the issue of Notes is correct or that there has not been any change (adverse or otherwise) in the financial conditions or affairs of the Issuer at any time subsequent to the Preparation Date. In particular, the Issuer is not under any obligation to any person to update this Information Memorandum at any time after an issue of Notes.

In this Information Memorandum, "**Preparation Date**" means:

- in relation to this Information Memorandum, the date indicated on its face or, if this Information Memorandum has been amended or supplemented, the date indicated on the face of that amendment or supplement;
- in relation to annual reports and any financial statements incorporated in this Information Memorandum, the date up to, or as at, the date on which such annual reports and financial statements relate; and
- in relation to any other item of information which is to be read in conjunction with this Information Memorandum, the date indicated on its face as being its date of release or effectiveness.

Title to other Notes which are not lodged in a Clearing System will depend on the form of those Notes as specified in the relevant Pricing Supplement.

The Record Date is 5.00pm in the place where the Register is maintained on the eighth calendar day before a payment date or such other period specified in the relevant Pricing Supplement.

Selling restrictions: The offer, sale and delivery of Notes and the distribution of this Information Memorandum and other material in relation to any Notes are subject to such restrictions as may apply in any country in connection with the offer and sale of a particular Tranche or Series of Notes. In particular, restrictions on the offer, sale or delivery of Notes in Australia, the United Kingdom, the United States of America, Hong Kong, Japan, Singapore and the European Economic Area are set out in the section entitled "Selling Restrictions" below.

Transfer procedure: Notes may only be transferred in whole and in accordance with the Conditions.

In particular, Notes may only be transferred if:

- (a) in the case of Notes to be transferred in, or into, Australia:
 - (i) the offer or invitation giving rise to the transfer is for an aggregate consideration of at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the transferor or its associates to the transferee) or does not otherwise require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act;
 - (ii) the transfer is not to a "retail client" for the purposes of

section 761G of the Corporations Act; and

(iii) the transfer complies with Banking (Exemption) Order No. 82 as if it applied to the Issuer *mutatis mutandis* (and which, as at the date of this Information Memorandum, requires all offers and transfers of any parcels of Notes to be for an aggregate principal amount of not less than A\$500,000); and

(b) at all times, the transfer complies with all applicable laws and directives of the jurisdiction where the transfer takes place.

Transfers of Notes held in a Clearing System will be made in accordance with the rules and regulations of the relevant Clearing System.

Substitution of the Issuer: The Issuer of Notes may, without the consent of Noteholders but subject to certain conditions, be substituted as the principal debtor under the relevant Notes as more fully set out in Condition 19 (“Substitution of the Issuer”).

Stamp duty: Any stamp duty incurred at the time of issue of the Notes will be for the account of the Issuer. Any stamp duty incurred on a transfer of Notes will be for the account of the relevant investors.

As at the date of this Information Memorandum, no *ad valorem* stamp duty is payable in any Australian State or Territory on the issue, transfer or redemption of the Notes. However, investors are advised to seek independent advice regarding any stamp duty or other taxes imposed by another jurisdiction upon the transfer of Notes, or interests in Notes.

Taxes, withholdings and deductions: All payments in respect of the Notes will be made without withholding or deduction for or on account of any present or future Taxes unless such withholding or deduction is required by law. In the event that any such deduction is made, the Issuer will, save in certain limited circumstances provided in Condition 11 (“Taxation”), be required to pay additional amounts to cover the amounts so deducted.

A brief overview of the Australian and Swedish taxation treatment of payments of interest on Notes is set out in the section entitled “Taxation” below.

The U.S. “Foreign Account Tax Compliance Act” (or “**FATCA**”) imposes a due diligence and reporting regime and, potentially, a 30 per cent. withholding tax with respect to certain payments to (i) non-U.S. financial institutions that do not comply with this due diligence and reporting regime, and (ii) certain investors that do not provide identification information with respect to interests issued by a participating non-U.S. financial institution.

While the Notes are held within a clearing system, in all but the most remote circumstances, it is not expected that FATCA will affect the amount of any payment received by the clearing systems. However, FATCA may affect payments made to custodians or intermediaries in the subsequent payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA) and provide each custodian or intermediary with any information, forms, other documentation or consents

that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. Prospective investors should refer to the section entitled “Taxation – Foreign Account Tax Compliance Act” below.

- Listing: It is not currently intended that the Notes will be listed on any stock exchange.
- An application may be made for the Issuer to be admitted to the official list of, and/or Notes of a particular Series to be quoted on, the Australian Securities Exchange operated by ASX Limited (ABN 98 008 624 691) (“**ASX**”) or on any other stock or securities exchange (in accordance with applicable laws and directives).
- Any Notes which are quoted on the ASX will not be transferred through, or registered on, the Clearing House Electronic Sub-Register System (“**CHES**”) operated by ASX Settlement Pty Limited (ABN 49 008 504 532) and will not be “Approved Financial Products” for the purposes of that system. Interests in the Notes will instead be held in, and transferable through, the Austraclear System.
- The applicable Pricing Supplement in respect of the issue of any Tranche of Notes will specify whether or not such Notes will be quoted on any stock or securities exchange.
- Governing law: The Notes (other than Condition 4 (“Status and ranking”)) and all related documentation will be governed by the laws of New South Wales, Australia. Condition 4 shall be governed by Swedish law.
- Use of proceeds: The net proceeds from each issue of Notes will be used by the Issuer for its general corporate purposes.
- Credit rating: The Issuer and/or the Notes to be issued under the Programme may be rated by one or more rating agencies. The credit rating of the Issuer or an individual Tranche or Series of Notes will be specified in the relevant Pricing Supplement for those Notes (or another supplement to this Information Memorandum).
- A credit rating is not a recommendation to buy, sell or hold Notes and may be subject to revision, suspension or withdrawal at any time by the assigning rating agency.**
- Credit ratings are for distribution only to a person (a) who is not a “retail client” within the meaning of section 761G of the Corporations Act and is also a sophisticated investor, professional investor or other investor in respect of whom disclosure is not required under Part 6D.2 or Chapter 7 of the Corporations Act, and (b) who is otherwise permitted to receive credit ratings in accordance with applicable law in any jurisdiction in which the person may be located. Anyone who is not such a person is not entitled to receive this Information Memorandum and anyone who receives this Information Memorandum must not distribute it to any person who is not entitled to receive it.*

EU Bank Resolution and Recovery Directive

On 2 July 2014, Directive 2014/59/EU (the Bank Recovery and Resolution Directive, “**BRRD**”) providing for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms entered into force. The BRRD is designed to provide relevant resolution authorities (a “**Relevant Resolution Authority**”) with a credible set of tools and powers to intervene sufficiently early and quickly in an unsound or failing institution so as to ensure the continuity of the institution's critical financial and economic functions, while minimising the impact of an institution's failure on the economy and financial system. Under the Swedish implementation of the BRRD, the Swedish National Debt Office (*Sw. Riksgäldskontoret*) has been appointed as Sweden's Relevant Resolution Authority.

In Sweden, the requirements of the BRRD were implemented into national law by the Resolution Act 2016 (the “**Resolution Act**”) with effect from 1 February 2016. The aim of the new framework is to reduce the risk that taxpayers will have to bear the cost in the event of a banking crisis. One of the ways in which this is intended to be accomplished is through a “bail-in”, which means that shareholders and creditors will be expected to absorb losses of a financial institution if the Relevant Resolution Authority considers that, among other things, the financial institution is failing or likely to fail. The Swedish implementation of the BRRD includes the introduction of a debt write-down tool (or bail-in tool) (the “**Bail-in Tool**”) (*Sw. skuldnedskrivningsverktyget*). The Resolution Act includes a requirement for the terms of debt instruments which are issued on or after the date the Resolution Act entered into force and are not governed by the law of an EEA jurisdiction (including the Notes), to contain a contractual clause whereby holders of debt instruments recognise the applicability of the Bail-in Tool to their debt instruments.

Under the Resolution Act, substantial powers are granted to the Relevant Resolution Authority (and in certain circumstances, in consultation with the Swedish Financial Supervisory Authority (the “**SFSA**”). These powers enable the Relevant Resolution Authority to implement resolution measures with respect to a relevant Swedish entity in circumstances in which Relevant Resolution Authority considers the failure of the relevant entity has become highly likely and a threat is posed to the public interest. The stabilisation options available to the Relevant Resolution Authority (all of the below except for (v), which is available to the Swedish Government) provide for:

- (i) sale of the relevant entity or parts of its business to one or more purchasers without the consent of shareholders (the “**sale of business tool**”);
- (ii) transfer of all or part of the business of the relevant entity to a “bridge institution” (the “**bridge institution tool**”);
- (iii) transfer of the relevant entity's assets, rights or liabilities to an asset management vehicle (the “**asset separation tool**”);
- (iv) the write-down and conversion of the relevant entity's liabilities (the “**Bail-in Tool**”); and
- (v) temporary public ownership (nationalisation) of the relevant entity (the “**government stabilisation tool**”).

Each of these stabilisation options is achieved through the exercise of one or more “stabilisation powers,” which include (i) the power to make share transfer orders pursuant to which all or some of the securities issued by a Swedish entity may be transferred to a commercial purchaser, a bridge institution or the Swedish government (ii) the resolution instrument power which includes the exercise of the Bail-in Tool (iii) the power to transfer all or some of the property, rights and liabilities of a Swedish entity to a commercial purchaser or the Relevant Resolution Authority and (iv) the third country instrument powers that recognize the effect of similar special resolution action taken under the law of a country outside the European Union (“**EU**”). A share transfer order can extend to a wide range of securities, including shares and bonds issued by a Swedish entity and warrants for such shares and bonds and could, therefore, apply to the Notes. In addition, the Resolution Act grants powers to modify contractual arrangements in certain circumstances and powers to suspend enforcement or termination rights that might be invoked as a result of the exercise of the resolution powers.

The exercise of any resolution power or any suggestion of any such exercise could materially adversely affect the value of any Notes and could lead to holders of the Notes losing some or all of the value of their investment in the Notes.

The resolution powers are designed to be triggered prior to insolvency of the relevant entity (i.e., the Issuer). However, holders of the Notes may not be able to anticipate the exercise of any resolution power (including the Bail-in Tool) by the Relevant Resolution Authority (and with respect to nationalisation, the Swedish Government).

The stabilisation options are intended to be used prior to the point at which any insolvency proceedings with respect to the relevant entity could have been initiated. The purpose of the stabilisation options is to address the situation where all or part of a business of a relevant entity has encountered, or is likely to encounter, financial difficulties, giving rise to wider public interest concerns. Accordingly, the stabilisation options may be exercised if the Relevant Resolution Authority (i) is satisfied that a relevant entity (such as the Issuer) is failing, or is likely to fail (ii) determines that it is not reasonably likely that (ignoring the stabilisation powers) action will be taken by or in respect of the relevant entity that will result in condition (i) above ceasing to be met (iii) considers that the exercise of the stabilisation powers to be necessary, having regard to certain public interest considerations (such as the stability of the Swedish financial system, public confidence in the Swedish Resolution system and the protection of depositors (also regulated by the SFSA), being some of the special resolution objectives) and (iv) considers that the special resolution objectives would not be met to the same extent by the winding-up of the relevant entity. The use of different stabilisation powers is also subject to further "specific conditions" that vary according to the relevant stabilisation power being used.

Although the Resolution Act provides for the above described conditions to the exercise of any resolution powers, it is uncertain how the Relevant Resolution Authority would assess such conditions in different pre-insolvency scenarios affecting the Issuer and in deciding whether to exercise a resolution power. The Relevant Resolution Authority is also not required to provide any advance notice to holders of the notes of its decision to exercise any resolution power. Therefore, holders of the Notes may not be able to anticipate a potential exercise of any such powers nor the potential effect of any exercise of such powers on the Issuer, and the Notes.

The Relevant Resolution Authority may exercise the Bail-in Tool to enable it to recapitalise an institution in resolution by allocating losses to its shareholders and unsecured creditors (which include holders of the Notes) in a manner that (i) ought to respect the hierarchy of claims in an ordinary insolvency and (ii) is consistent with shareholders and creditors not receiving a less favourable treatment than they would have received in ordinary insolvency proceedings of the relevant entity. Insured deposits and liabilities to the extent they are secured are among the liabilities excluded from the scope of the Bail-in Tool.

The Bail-in Tool includes the power to cancel a liability or modify the terms of contracts for the purposes of reducing or deferring the liabilities of the relevant entity under resolution and the power to convert a liability from one form or class to another. The exercise of such powers may result in the cancellation of all, or a portion, of the principal amount of, interest on, or any other amounts payable on, the Notes and/or the conversion of all or a portion of the principal amount of, interest on, or any other amounts payable on, the Notes into shares or other securities or other obligations of the Issuer or another person, including by means of a variation to the terms of the Notes, in each case, to give effect to the exercise by the Relevant Resolution Authority of such power.

Where the conditions for intervention under the Resolution Act and the use of the Bail-in Tool have been met, the Relevant Resolution Authority would be expected to exercise these powers without the further consent of the holders of the Notes.

The exercise of any resolution power, including the power to exercise the Bail-in Tool in respect of the Issuer and the notes or any suggestion of any such exercise could materially adversely affect the rights of the holders of the Notes, the price or value of their investment in the Notes and/or the ability of the Issuer to satisfy its obligations under the Notes and could lead to holders of the Notes losing some or all of the value of their investment in such Notes.

Holders of the Notes may have only very limited rights to challenge the exercise of any resolution powers (including the Bail-in Power) by the Relevant Resolution Authority.

Holders of the Notes may have only very limited rights to challenge and/or seek a suspension of any decision of the Relevant Resolution Authority to exercise its resolution powers (including the Bail-in Tool) or to have that decision reviewed by a judicial or administrative process or otherwise. In addition, even in circumstances where a claim for compensation is established under the “no creditor worse off” safeguard in accordance with a valuation performed after the resolution action has been taken, it is unlikely that such compensation would be equivalent to the full losses incurred by the holders of the Notes in the resolution and there can be no assurance that such holders would recover such compensation promptly.

Neither the BRRD nor the proposals of the Financial Crisis Committee contain any grandfathering or transitional rules that would exempt the Notes from the application of these powers even if the Notes have been issued before the BRRD entering into force in Sweden.

The BRRD is also likely to have an impact on how large a capital buffer a bank will need, in addition to those set out in the EU Capital Requirements Regulation and the EU Capital Requirements Directive. To ensure that banks always have sufficient loss-absorbing capacity, the BRRD provides for national resolution authorities to set minimum requirements for own funds and eligible liabilities (“**MREL**”) for each institution, based on, amongst other criteria, its size, risk and business model. Parallel to this, the Financial Stability Board (“**FSB**”) has issued a term sheet on Total Loss Absorbing Capacity (“**TLAC**”), which sets corresponding requirements for global systemically important banks. The term sheet on TLAC is expected to influence how the MREL requirement is ultimately determined in the EU. The FSB prescribes a lag before implementation of TLAC (not before 1 January 2019), whereas the requirement to set MREL applies from the date of national implementation of Article 45 of the BRRD (1 January 2016 at the latest). Uncertainties exist regarding the configuration and level of the MREL requirement, and consequently how this will affect Swedbank’s capital requirements.

2 Introduction

2.1 Programme

Notes are issued under the Programme.

2.2 Pricing Supplement

- (a) Notes are issued in Series. A Series may comprise one or more Tranches having one or more Issue Dates and on conditions otherwise identical (other than, to the extent relevant, in respect of the Issue Price, Issue Date and Interest Commencement Date).
- (b) The Issuer will issue Notes on the terms set out in these Conditions as supplemented, amended, modified or replaced by the Pricing Supplement applicable to those Notes. If there is any inconsistency between these Conditions and the Pricing Supplement, the Pricing Supplement prevails.
- (c) Copies of the Pricing Supplement for a Tranche of Notes are available for inspection or upon request by a Noteholder or prospective Noteholder during normal business hours at the Specified Office of the Issuer or the Registrar or are otherwise available on reasonable request from the Issuer or the Registrar.

2.3 Types of Notes

A Note is either:

- (a) a Fixed Rate Note;
- (b) a Floating Rate Note; or
- (c) a Zero Coupon Note,

or a combination of the above (or any other type of debt obligation, including a certificate of deposit), as specified in the relevant Pricing Supplement.

2.4 Issue restrictions

Unless otherwise specified in the Pricing Supplement, Notes may only be offered (directly or indirectly) for issue, or applications invited for the issue of Notes, if:

- (a) where the offer or invitation is made in, or into, Australia:
 - (i) the aggregate consideration payable to the Issuer by the relevant subscriber is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the Issuer or its associates to the subscriber) or the offer or invitation (including any resulting issue) does not otherwise require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act;
 - (ii) the offer or invitation (including any resulting issue) does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
 - (iii) the offer or invitation (including any resulting issue) complies with the Banking (Exemption) Order No. 82 dated 23 September 1996 promulgated by the Assistant Treasurer of Australia as if it applied to the Issuer *mutatis mutandis* (including that the Notes the subject of the offer or invitation, when issued, have an aggregate principal amount of at least A\$500,000); and
- (b) at all times, the offer or invitation (including any resulting issue) complies with all applicable laws and directives in the jurisdiction in which the offer, invitation or issue takes place.

Subject to compliance with all applicable legal and regulatory requirements, Notes may be denominated in Australian dollars or such other freely transferable and freely available currency or currencies as specified in the Pricing Supplement.

If the Notes are held in a Clearing System, the rights of a person holding an interest in those Notes are subject to the rules and regulations of the Clearing System including any removal, uplift or withdrawal (however described) of the Notes from that Clearing System or other action (including a transfer of the Notes) required by the rules and regulations of the Clearing System. The Issuer is not responsible for anything the Clearing System does or omits to do.

3 Form

3.1 Constitution

- (a) Notes are debt obligations of the Issuer constituted by, and owing under, the Deed Poll and the details of which are recorded in, and evidenced by entry in, the Register.

3.2 Form

Notes are issued in registered uncertificated form by entry in the Register.

3.3 No certificates

No certificates in respect of any Notes will be issued to Noteholders unless the Issuer determines that certificates should be available or are required by any applicable law or directive.

4 Status, ranking and bail-in

4.1 Status and ranking

The Notes constitute unsubordinated, unsecured obligations of the Issuer and rank *pari passu* without any preference among themselves and (subject to such mandatory exceptions as are from time to time applicable under Swedish law) at least *pari passu* with all other unsecured indebtedness of the Issuer from time to time outstanding.

4.2 Agreement with respect to exercise of the Bail-in Power

Notwithstanding, and to the exclusion of, any other term of the Notes or any other agreements, arrangements, or understandings between the Issuer and any Noteholder, by its acquisition of the Notes, each Noteholder acknowledges and accepts that the amounts due arising under the Notes may be subject to the exercise of Bail-in Powers by the Resolution Authority, and acknowledges, accepts, consents and agrees to be bound by:

- (a) the effect of the exercise of the Bail-in Power by the Resolution Authority, that may include and result in any of the following, or some combination thereof:

 - (iii) the cancellation of the Notes; and/or
 - (iv) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, or the date on which the interest becomes payable, including by suspending payment for a temporary period; and/or
- (b) the variation of the terms of the Notes, if necessary, to give effect to the exercise of the Bail-in Power by the Resolution Authority.

4.3 Further agreements with respect to the exercise of the Bail-in Power

By purchasing Notes, each Noteholder:

- (a) shall be deemed to have authorised, directed and requested that any Clearing System through which or in which Notes are lodged, held and traded and any direct participant in such Clearing System or other intermediary through which it holds such Notes to take any and all necessary action, if required, to implement the exercise of the Bail-in Power with respect to the Notes as it may be imposed, without any further action or direction on the part of such Noteholder. In addition, the exercise of any Bail-in Power may require interests in the Notes and/or other actions implementing any Bail-in Power to be held or taken, as the case may be, through Clearing Systems, intermediaries or persons other than the immediate Clearing System in which Notes are lodged, held or traded;
- (b) shall be deemed to have authorised, directed and requested each Agent, as applicable, to take any and all necessary action to give effect to the exercise of any Bail-in Power by the Resolution Authority without any further action or direction on the part of a Noteholder;
- (c) to the extent permitted by law, waives any and all claims against each Agent for, agrees not to initiate a suit against an Agent in respect of, and agrees that each Agent shall not be liable for, any action that the Agent takes, or abstains from taking, in either case in accordance with the exercise of the Bail-in Power by the Resolution Authority with respect to the Notes; and
- (d) acknowledges and agrees that no Agent shall be under any duty to determine, monitor or report on whether there has been an exercise of any Bail-in Power by the Resolution Authority or to determine or calculate, or verify any determination or calculation of, or relating to, an exercise of any Bail-in Power.

4.4 Exercise of Bail-in Power

- (a) No repayment or payment of Amounts Due on the Notes, will become due and payable or be paid after the exercise of any Bail-in Power by the Resolution Authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise.
- (b) Upon the exercise of the Bail-in Power by the Resolution Authority with respect to the Notes, the Issuer shall provide a written notice to the Noteholders as soon as practicable regarding such exercise of the Bail-in Power. The Issuer will also deliver a copy of such notice to each Agent for information purposes.
- (c) Neither a reduction or cancellation, in part or in full, of the Amounts Due, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Bail-in Power by the Resolution Authority with respect to the Issuer, nor the exercise of the Bail-in Power with respect to the Notes will be an Event of Default.

4.5 Interpretation

For the purposes of this Condition 4, a reference to “**Noteholder**” includes any person holding an interest in the Notes.

5 Title and transfer of Notes

5.1 Title

Title to a Note passes when details of the transfer are entered in the Register.

5.2 Effect of entries in Register

Each entry in the Register in respect of a Note constitutes:

- (a) an irrevocable undertaking by the Issuer to the Noteholder to:
 - (i) pay principal, any interest and any other amounts in accordance with these Conditions; and
 - (ii) otherwise to comply with the Conditions; and
- (b) an entitlement to the other benefits given to Noteholders under these Conditions in respect of the Note.

5.3 Ownership and non-recognition of interests

- (a) Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of such Note subject to correction for fraud or proven error.
- (b) No notice of any trust or other interest in, or claim to, any Note will be entered in a Register. Neither the Issuer nor the relevant Registrar need take notice of any trust or other interest in, or claim to, any Note, except as ordered by a court of competent jurisdiction or required by any applicable law or directive. This Condition 5.3(b) applies whether or not a Note is overdue.

5.4 Joint holders

Where two or more persons are entered in the Register as the joint holders of a Note then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of a Note.

5.5 Transfer

Noteholders may only transfer Notes in accordance with these Conditions.

5.6 Transfers in whole

Notes may be transferred in whole but not in part.

5.7 Conditions of transfer

Notes may only be transferred if:

- (a) in the case of Notes to be transferred in, or into, Australia, the offer or invitation giving rise to the transfer:
 - (i) is for an aggregate consideration payable to the transferor by the relevant subscriber is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the transferor or its associates to the subscriber) or the offer or invitation (including any resulting issue) does not otherwise require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act;
 - (ii) does not constitute an offer or invitation to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
 - (iii) the transfer complies with Banking (Exemption) Order No. 82 dated 23 September 1996 promulgated by the Assistant Treasurer of Australia as if it

applied to the Issuer *mutatis mutandis* (including that the Notes transferred have an aggregate principal amount of at least A\$500,000);

- (b) at all times, the transfer complies with all applicable laws and directives of the jurisdiction where the transfer takes place; and
- (c) Noteholders that acquire such Notes in the secondary market shall be deemed to acknowledge, agree to be bound by and consent to these Conditions to the same extent as Noteholders that acquire the Notes upon their initial issuance, including, without limitation, with respect to the acknowledgement and agreement to be bound by and consent to Conditions 4.2 (“Agreement with respect to exercise of the Bail-in Power”) and 4.3 (“Further agreement with respect to exercise of the Bail-in Power”).

5.8 Transfer procedures

- (a) Interests in Notes held in a Clearing System will be transferable only in accordance with the rules and regulations of that Clearing System. If a Note is lodged in the Austraclear System, neither the Issuer nor the relevant Registrar will recognise any such interest other than the interest of Austraclear as the Noteholder while that Note is lodged in the Austraclear System.
- (b) Application for the transfer of Notes not held in a Clearing System must be made by the lodgment of a transfer form with the Registrar at its Specified Office. Transfer forms must be in the form available from the Issuer or the Registrar (or such other person as may be specified in a Pricing Supplement) and:
 - (i) each transfer form must be:
 - (A) duly completed and stamped (if applicable);
 - (B) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly executed; and
 - (C) signed by, or on behalf of, both the transferor and the transferee; and
 - (ii) transfers will be registered without charge provided all applicable Taxes have been paid.

5.9 Austraclear as Noteholder

If Austraclear is recorded in the Register as the Noteholder, each person in whose Security Record a Note is recorded is taken to acknowledge in favour of the Issuer, the Registrar and Austraclear that:

- (a) the Registrar’s decision to act as the Registrar of that Note is not a recommendation or endorsement by the Registrar or Austraclear in relation to that Note, but only indicates that the Registrar considers that the holding of the Note is compatible with the performance by it of its obligations as Registrar under the Agency Agreement; and
- (b) the Noteholder does not rely on any fact, matter or circumstance contrary to paragraph (a).

5.10 Restrictions on transfers

Transfers of Notes which are not lodged in a Clearing System cannot be made between a Record Date and the relevant Interest Payment Date if a redemption of such Note is to occur during that period in accordance with these Conditions.

5.11 Effect of transfer

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under these Conditions in respect of the transferred Note and the transferee becomes so entitled in accordance with Condition 5.2 (“Effect of entries in Register”).

5.12 CHESS

Notes which are listed on the Australian Securities Exchange operated by ASX Limited (ABN 98 008 624 691) will not be transferred through, or registered on, the Clearing House Electronic Subregister System operated by ASX Settlement Pty Limited (ABN 49 008 504 532) and will not be “Approved Financial Products” for the purposes of that system.

5.13 Estates

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

5.14 Unincorporated associations

A transfer of a Note to an unincorporated association is not permitted.

5.15 Transfer of unidentified Notes

If a Noteholder transfers some but not all of the Notes it holds and the transfer form does not identify the specific Notes transferred, the relevant Registrar may choose which Notes registered in the name of Noteholder have been transferred. However, the aggregate principal amounts of the Notes registered as transferred must equal the aggregate principal amount of the Notes expressed to be transferred in the transfer form.

6 Fixed Rate Notes

This Condition 6 applies to the Notes only if the Pricing Supplement states that it applies.

6.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate. Interest is payable in arrear on each Interest Payment Date.

6.2 Fixed Coupon Amount

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the preceding Interest Period is the Fixed Coupon Amount specified in the Pricing Supplement.

6.3 Calculation of interest payable

The amount of interest payable in respect of a Fixed Rate Note for any period for which a Fixed Coupon Amount is not specified in the Pricing Supplement is calculated by multiplying the Interest Rate for that period, the outstanding principal amount of the Fixed Rate Note and the applicable Day Count Fraction.

7 Floating Rate Notes

This Condition 7 applies to the Notes only if the Pricing Supplement states that it applies.

7.1 Interest on Floating Rate Notes

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, on each date which falls the number of months or other period specified as the Specified Period in the Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

7.2 Interest Rate determination

The Interest Rate payable in respect of a Floating Rate Note must be determined by the Calculation Agent in accordance with these Conditions.

7.3 Fallback Interest Rate

Unless otherwise specified in the Pricing Supplement, if, in respect of an Interest Period, the Calculation Agent is unable to determine a rate in accordance with Condition 7.2 ("Interest Rate determination"), the Interest Rate for the Interest Period is the Interest Rate applicable to the Floating Rate Notes during the immediately preceding Interest Period.

7.4 ISDA Determination

Where "ISDA Determination" is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period is the sum of the Margin and the ISDA Rate.

In this Condition:

- (a) "**ISDA Rate**" for an Interest Period, means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction if the Calculation Agent for the Floating Rate Notes were acting as Calculation Agent for that Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
 - (i) the Floating Rate Option, the Designated Maturity and the Reset Date are as specified in the Pricing Supplement; and
 - (ii) the Period End Dates are each Interest Payment Date, the Spread is the Margin and the Floating Rate Day Count Fraction is the Day Count Fraction; and
- (b) "**Swap Transaction**", "**Floating Rate**", "**Calculation Agent**" (except references to "Calculation Agent for the Floating Rate Notes"), "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**", "**Period End Date**", "**Spread**" and "**Floating Rate Day Count Fraction**" have the meanings given to those terms in the ISDA Definitions.

7.5 Screen Rate Determination

Where the “Screen Rate Determination” is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period is the sum of the Margin and the Screen Rate.

In this Condition, “**Screen Rate**” means, for an Interest Period, the quotation offered for the Reference Rate appearing on the Relevant Screen Page at the Relevant Time on the Interest Determination Date. However:

- (a) if there is more than one offered quotation displayed on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, the “**Screen Rate**” means the rate calculated by the Calculation Agent as the average of the offered quotations. If there are more than five offered quotations, the Calculation Agent must exclude the highest and lowest quotations (or in the case of equality, one of the highest and one of the lowest quotations) from its calculation;
- (b) if an offered quotation is not displayed by the Relevant Time on the Interest Determination Date or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, the “**Screen Rate**” means:
 - (i) the rate the Calculation Agent calculates as the average mean of the Reference Rates that each Reference Bank quoted to the leading banks in the Relevant Financial Centre specified in the Pricing Supplement at the Relevant Time on the Interest Determination Date; or
 - (ii) where the Calculation Agent is unable to calculate a rate under paragraph (i) because it is unable to obtain at least two quotes, the rate the Calculation Agent calculates as the average of the rates (being the nearest equivalent to the Reference Rate) quoted by two or more banks chosen by the Calculation Agent in the Relevant Financial Centre at approximately the Relevant Time on the Interest Determination Date for a period equivalent to the Interest Period to leading banks carrying on business in the Relevant Financial Centre in good faith; or
- (c) if the Pricing Supplement specifies an alternative method for the determination of the Screen Rate Determination, then that alternative method applies.

7.6 BBSW Rate Determination

Where “BBSW Rate Determination” is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the BBSW Rate.

In this Condition, **BBSW Rate** means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the “AVG MID” on the Reuters Screen BBSW Page at approximately 10:10am on the first day of that Interest Period. However, if such rate does not appear on the Reuters Screen BBSW Page by 10:30am on that day, or if it does appear but the Calculation Agent determines that there is an obvious error in that rate, “**BBSW Rate**” means the rate determined by the Calculation Agent having regard to comparable indices then available. The rate calculated or determined by the Calculation Agent will be expressed as a percentage rate per annum and will be rounded up, if necessary, to the next higher one ten-thousandth of a percentage point (0.0001 per cent.).

7.7 Interpolation

If the Pricing Supplement states that “Linear Interpolation” applies to an Interest Period, the Interest Rate for that Interest Period is determined through the use of straight line interpolation by reference to two ISDA Rates, Screen Rates, BBSW Rates or other floating rates specified in the Pricing Supplement.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

8 General provisions applicable to interest

8.1 Maximum or Minimum Interest Rate

If the Pricing Supplement specifies a “Maximum Interest Rate” or “Minimum Interest Rate” for any Interest Period, the Interest Rate for the Interest Period must not be greater than the maximum, or be less than the minimum, so specified. If no rate is specified, the Minimum Interest Rate shall be zero.

8.2 Calculation of Interest Rate and interest payable

- (a) The Calculation Agent must, in relation to each Interest Period for each Floating Rate Note:
 - (i) calculate the Interest Rate in accordance with these Conditions and the Pricing Supplement; and
 - (ii) as soon as practicable after determining the Interest Rate, calculate the amount of interest payable for the Interest Period in respect of the outstanding principal amount of that Note.
- (b) Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the product of the Interest Rate for the Interest Period and the outstanding principal amount of the Note by the applicable Day Count Fraction.
- (c) The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

8.3 Calculation of other amounts

If the Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the amount in the manner specified in the Pricing Supplement.

8.4 Notification of Interest Rate, interest payable and other items

- (a) The Calculation Agent must notify the Issuer, the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded of:
 - (i) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the Interest Payment Date; and
 - (ii) any amendment to any amount, item or date referred to in paragraph (i) arising from any extension or reduction in any Interest Period or calculation period.
- (b) The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate,

the amount of interest payable and each Interest Payment Date by the fourth day of the Interest Period.

- (c) The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Issuer, the Registrar, the Noteholders, each other Agent and each stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded after doing so.

8.5 Determination final

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it under these Conditions is, in the absence of manifest error, final and binding on the Issuer, the Registrar, each Noteholder and each other Agent.

8.6 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise specified in these Conditions or in the Pricing Supplement):

- (a) all percentages resulting from those calculations must be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.);
- (b) all figures resulting from those calculations must be rounded to five decimal places (with 0.000005 being rounded up to 0.00001); and
- (c) all amounts that are due and payable must be rounded (with halves being rounded up) to:
 - (i) in the case of Australian dollars, one cent; and
 - (ii) in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency.

9 Redemption and purchase

9.1 Redemption on maturity

Each Note is redeemable by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the Note has been previously redeemed;
- (b) the Note has been purchased and cancelled; or
- (c) the Pricing Supplement states that the Note has no fixed Maturity Date.

9.2 Partly paid Notes

Each Partly Paid Note is redeemable on the Maturity Date in accordance with the Conditions and Pricing Supplement.

9.3 Early redemption for taxation reasons

The Issuer may redeem all (but not some) of the Notes of a Series in whole before their Maturity Date at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if, as a result of any change in or amendment to the laws or directives of the Kingdom of Sweden or of any political subdivision thereof or any authority or agency therein or

thereof having power to tax, or in the interpretation or administration of any such laws or directives which becomes effective on or after the Issue Date, the Issuer is required under Condition 11.2 (“Withholding tax”) to increase the amount of a payment in respect of a Note and such obligation cannot be avoided by the Issuer taking reasonable measures available to it.

However, the Issuer may only do so if:

- (a) prior to the publication of any notice of redemption for taxation reasons, the Issuer shall deliver to the Registrar a certificate signed by two duly authorised officers of the Issuer stating that the Issuer is entitled to effect such redemption for taxation reasons and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment;
- (b) the Issuer has given at least 30 days and no more than 60 days (or any other period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded;
- (c) in the case of Fixed Rate Notes, no notice of redemption is given earlier than 90 days before the earliest date on which the Issuer would be obliged to pay Additional Amounts; and
- (d) in the case of Floating Rate Notes:
 - (i) the proposed Redemption Date is an Interest Payment Date; and
 - (ii) the notice of redemption is given at least 30 days and not more than 60 days before the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay Additional Amounts.

9.4 Early redemption at the option of Noteholders (Noteholder put)

If the relevant Pricing Supplement states that a Noteholder may require the Issuer to redeem all or some of the Notes of a Series held by that Noteholder before their Maturity Date under this Condition 9.4, the Issuer must redeem the Notes specified by the Noteholder at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if the following conditions are satisfied:

- (a) the amount of Notes to be redeemed is a multiple of their Denomination;
- (b) the Noteholder has given not less than 15 days nor more than 30 days (or any other period specified in the Pricing Supplement) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the Registrar together with any evidence the Registrar may require to establish title of the Noteholder to the Note;
- (c) the notice referred to in paragraph (b) specifies an account in the country of the currency in which the Note is denominated to which the payment should be made or an address to where a cheque for payment should be sent;
- (d) the Redemption Date is an “Early Redemption Date (Put)” specified in the Pricing Supplement; and
- (e) any other relevant condition specified in the Pricing Supplement is satisfied.

A Noteholder may not require the Issuer to redeem any Note under this Condition 9.4 if the Issuer has given notice that it will redeem that Note under Condition 9.3 (“Early redemption for taxation reasons”) or Condition 9.5 (“Early redemption at the option of the Issuer (Issuer call”).

9.5 Early redemption at the option of the Issuer (Issuer call)

If the Pricing Supplement states that the Issuer may redeem all or some of the Notes of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of the Notes specified in the Pricing Supplement at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date.

However, the Issuer may only do so if:

- (a) the amount of Notes to be redeemed is, or is a multiple of, their Denomination;
- (b) the Issuer has given not less than 15 days nor more than 30 days (or such lesser period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed;
- (c) the proposed Redemption Date is an Early Redemption Date (Call) specified in the Pricing Supplement; and
- (d) any other relevant condition specified in the Pricing Supplement is satisfied.

9.6 Partial redemptions

If only some of the Notes are to be redeemed under Condition 9.5 (“Early redemption at the option of the Issuer (Issuer call”), the Notes to be redeemed must be specified in the notice and selected:

- (a) in a fair and reasonable manner under the circumstances of the proposed redemption and having regard to prevailing market practice; and
- (b) in compliance with any applicable law, directive or requirement of any applicable Clearing System and stock or securities exchange or other relevant authority on which the Notes are listed.

9.7 Effect of notice of redemption

Any notice of redemption given by the Issuer or a Noteholder under this Condition 9 (“Redemption and purchase”) is irrevocable.

9.8 Late payment

If an amount is not paid under this Condition 9 (“Redemption and purchase”) when due, then:

- (a) for a Note (other than a Zero Coupon Note), interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Noteholder; and
- (b) for a Zero Coupon Note, the obligation to pay the amount is replaced by an obligation to pay the Amortised Face Amount recalculated as at the date on which payment is made to the Noteholder.

9.9 Purchase

The Issuer and any of its Related Entities may at any time purchase Notes in the open market or otherwise and at any price. Such Notes may be held, reissued, resold, or at the option of such purchaser, cancelled by notice to the Registrar. Purchases may be made by tender offers or in any other manner at the discretion of the purchasers, in each case, subject to compliance with any applicable law, directive or requirement of any stock or securities exchange or other relevant authority on which the Notes are listed.

10 Payments

10.1 Payment of principal

Payments of principal in respect of a Note will be made to each person registered at 10.00 am on the payment date as the Noteholder of that Note (or the first person to be registered in the case of joint holders).

10.2 Payment of interest

Payments of interest in respect of a Note will be made to each person registered at the close of business on the Record Date as the Noteholder of that Note (or the first person to be registered in the case of joint holders).

10.3 Payments to accounts

Payments in respect of the Note will be made in Australia, unless prohibited by law, and:

- (a) if the Note is held in the Austraclear System, by crediting on the payment date, the amount due to:
 - (i) the account of Austraclear (as the Noteholder) in Australia previously notified to the Issuer and the Registrar; or
 - (ii) if requested by Austraclear, the accounts in Australia of the persons in whose Security Record a Note is recorded as previously notified by Austraclear to the Issuer and the Registrar in accordance with Austraclear Regulations; and
- (b) if the Note is not held in the Austraclear System, by crediting on the payment date, the amount then due under each Note to an account in Australia previously notified by the Noteholder to the Issuer and the Registrar.

If a payment in respect of the Note is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

10.4 Payments by cheque

If the Noteholder has not notified the Registrar of an account to which payments to it must be made by the close of business on the Record Date, payments in respect of the Note will be made in Australia by cheque drawn on a bank in Australia sent by prepaid post on, or on the Business Day immediately before, the payment date, at the risk of the registered Noteholder, to the Noteholder (or to the first named joint holder of the Note) at its address appearing in the Register at the close of business on the Record Date. Cheques sent to the nominated address of a Noteholder are taken to have been received by the Noteholder on the payment date and, no further amount is payable by the Issuer in respect of the Notes as a result of the Noteholder not receiving payment on the due date.

10.5 Payments subject to law

Payments will be subject in all cases to:

- (a) any fiscal or other laws and directives applicable thereto in the place of payment but without prejudice to the provisions of Condition 11 (“Taxation”); and
- (b) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “**Code**”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or (without prejudice to the provisions of Condition 11 (“Taxation”)) any law implementing an intergovernmental approach thereto.

10.6 Payments on Business Days

If a payment is due on a day which is not a Business Day then the due date for payment is adjusted in accordance with the applicable Business Day Convention. The Noteholder is not entitled to any additional payment in respect of such delay.

10.7 Currency indemnity

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Noteholder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

11 Taxation

11.1 No set-off, counterclaim or deductions

All payments of principal and interest in respect of the Notes by the Issuer will be made without withholding or deduction for or on account of any present or future Taxes unless such withholding or deduction is required by law.

11.2 Withholding tax

Subject to Condition 11.3 (“Withholding tax exemptions”), if a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the Notes such that the Noteholder would not actually receive on the due date the full amount provided for under the Notes, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by the Kingdom of Sweden or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer will pay such additional amounts so that, after making the deduction and further deductions applicable to additional amounts payable under the Conditions, each Noteholder is entitled to receive (at the time of payment is due) the

amount it would have received if no deductions or withholdings had been required to be made.

11.3 Withholding tax exemptions

No Additional Amounts shall be payable under Condition 11.2 ("Withholding tax") with respect to any Note:

- (a) the Noteholder of which, or a third party on behalf of the Noteholder, is liable for such Taxes in respect of such Note by reason of having his having some connection with the Kingdom of Sweden other than the mere holding of the Note;
- (b) to, or to a third party on behalf of, a Noteholder who would not be liable or subject to such withholding or deduction if he were to make a declaration of non-residence or other claim for exemption but fails to do so; or
- (c) more than 30 days after the Relevant Date (as defined below), except to the extent that the relevant Noteholder would have been entitled to such additional amounts on presenting the same for payment on the expiry of such period of 30 days.

For the purposes of these Conditions, the "**Relevant Date**" means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Issuing and Paying Agent on or prior to such due date, it means the first date on which the full amount of such moneys has been so received and notice to that effect shall have been duly given to the Noteholders in accordance with Condition 18 ("Notices").

Notwithstanding any other provision of these Conditions, if the Issuer, or any other person through whom payments on the Notes are made, is required to withhold or deduct amounts under or in connection with, or in order to ensure compliance with FATCA, the Issuer shall be entitled to make such withholding or deduction and shall have no obligation to gross up any payment under these Conditions or to pay any Additional Amount or other amount for such withholding or deduction.

12 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within ten years (in the case of principal) or five years (in the case of interest and other amounts) from the date on which payment first became due.

13 Events of Default

13.1 Events of Default

Any of the following events will constitute an Event of Default:

- (a) **(non-payment of principal)** if there is default for more than 15 days in the payment of principal of any of the Notes as and when the same shall become due and payable;
- (b) **(non-payment of interest)** if there is a default for more than 30 days in the payment of any interest due in respect of the Notes or any of them;
- (c) **(non-performance of obligations)** if there is a default in the performance or observance by the Issuer of any other obligations or provisions binding on it under the Notes and such default (i) is incapable of remedy or (ii) being a default which is capable of remedy, remains unremedied for 30 days after written notice requiring the same to be remedied shall have been given to the Issuer by any Noteholder;

- (d) (**insolvency**) if an agency or supervisory authority of the Kingdom of Sweden having jurisdiction in respect of the same institutes a proceeding, or a court in the Kingdom of Sweden enters a decree or order, for the appointment of a receiver or liquidator in any insolvency, rehabilitation, readjustment of debt, marshalling of assets and liabilities or similar arrangements involving:
- (i) the Issuer;
 - (ii) as long as Swedbank Mortgage AB (publ) ("**Swedbank Mortgage**") is a wholly-owned subsidiary of the Issuer, Swedbank Mortgage;
 - (iii) all or substantially all of the Issuer's property;
 - (iv) as long as Swedbank Mortgage is a wholly-owned subsidiary of the Issuer, all or substantially all of Swedbank Mortgage's property;
 - (v) the winding up of or liquidation of the Issuer's affairs; or
 - (vi) as long as Swedbank Mortgage is a wholly-owned subsidiary of the Issuer, the winding up of or liquidation of Swedbank Mortgage's affairs,
- as the case may be, and such proceeding, decree or order is not vacated or remains in force undischarged or unstayed for a period of 60 days; or
- (e) (**voluntary suspension**) if the Issuer or, as long as Swedbank Mortgage is a wholly-owned subsidiary of the Issuer, Swedbank Mortgage, files a petition to take advantage of any insolvency statute or voluntarily suspends payment of its obligations generally.

13.2 Consequences of an Event of Default

If an Event of Default occurs and is continuing, any Noteholder may, by written notice to the Issuer, effective upon the date of receipt by the Issuer, declare such Notes held by that Noteholder to be immediately due and payable whereupon such Notes shall become immediately due and payable at their Redemption Amount, together with accrued interest (if any) to the date of repayment, unless prior to the time the Issuer receives such notice the situation giving rise to the notice has been cured, provided, however, that, in the event specified in Condition 13.1(c) ("Events of Default"), any notice declaring the Notes due shall become effective only when the Issuer has received such notices from Noteholders of at least one quarter in principal amount of the relevant Notes then outstanding.

13.3 Notification

If an Event of Default occurs (or, in the case of Condition 13.1(c) ("Events of Default"), would occur with the giving of applicable notice and the lapse of time), the Issuer must promptly after becoming aware of it notify the Registrar of the occurrence of the event (specifying details of it) and use its reasonable endeavours to ensure that the Registrar promptly notifies the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded of the occurrence of the event.

14 Agents

14.1 Role of Agents

In acting under an Agency Agreement, each Agent acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any Noteholder.

14.2 Appointment and replacement of Agents

Each initial Agent for a Series of Notes is specified in the Pricing Supplement. Subject to Condition 14.4 ("Required Agents"), the Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint a successor.

14.3 Change of Agent

Notice of any change of an Agent or its Specified Offices must promptly be given to the Noteholders by the Issuer or the Agent on its behalf.

14.4 Required Agents

The Issuer must, in respect of each Series of Notes:

- (a) at all times maintain a Registrar; and
- (b) if a Calculation Agent is specified in the Pricing Supplement, at all times maintain a Calculation Agent.

15 Meetings of Noteholders

The Meeting Provisions contain provisions (which have effect as if incorporated in these Conditions) for convening meetings of the Noteholders of any Series to consider any matter affecting their interests, including any variation of these Conditions.

16 Variation

16.1 Variation with consent

Unless Condition 16.2 ("Variation without consent") applies, any Condition may be varied by the Issuer in accordance with the Meeting Provisions.

16.2 Variation without consent

Any Condition may be amended by the Issuer without the consent of the Noteholders if the amendment:

- (a) is of a formal, minor or technical nature;
- (b) is made to correct a manifest error;
- (c) is made to cure any ambiguity or correct or supplement any defective or inconsistent provision and, in the reasonable opinion of the Issuer, is not materially prejudicial to the interests of the Noteholders;
- (d) is to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated; or
- (e) only applies to Notes issued by it after the date of amendment.

17 Further issues

The Issuer may from time to time, without the consent of the Noteholders, create and issue further Notes having the same Conditions as the Notes of any Series in all respects (or in all respects except for the Issue Price, Issue Date and the first Interest Payment Date) so as to form a single series with the Notes of that Series.

18 Notices

All notices and other communications to Noteholders must be in writing. Any such notice or other communication may be given by any of the following means:

All notices and other communications to the Issuer or an Agent must be in writing and may be left at the address of, or sent by prepaid post (airmail, if appropriate) to, its respective Specified Office or by facsimile to the facsimile number of the addressee specified:

- (a) in the Information Memorandum; or
- (b) as otherwise agreed between those parties from time to time and notified to the Noteholders.

18.3 Effective on receipt

Unless a later time is specified in it a notice, approval, consent or other communication takes effect from the time it is under Condition 18.4 ("Proof of receipt"), except that if it is received under that Condition after 5.00 pm in the place of receipt or on a non-Business Day in that place, it is to be taken to be received at 9.00 am on the next succeeding Business Day in that place.

18.4 Proof of receipt

Subject to Condition 18.3 ("Effective on receipt"), proof of posting a letter, dispatch of a facsimile or publication of a notice is proof of receipt:

- (a) in the case of a letter, on the third (seventh if outside Australia) day after posting;
- (b) in the case of a facsimile, on receipt by the sender of a successful transmission report; and
- (c) in the case of publication in a newspaper, on the date of such publication.

19 Substitution of the Issuer

19.1 Substitution

The Issuer may with respect to Notes of any Series ("**Relevant Notes**") without the consent of any Noteholder, substitute for itself any Related Entity incorporated in any country in the world as the debtor in respect of the Relevant Notes ("**Substituted Issuer**") upon notice by the Issuer and the Substituted Issuer to be given in accordance with Condition 18 ("Notices"), provided that:

- (a) the Issuer and the Substituted Issuer have entered into such documents (“**Documents**”) as are necessary to give effect to the substitution and in which the Substituted Issuer has undertaken in favour of each Noteholder of the Relevant Notes to be bound by these Conditions, the Agency Agreement and the Deed Poll, as the debtor in respect of such Relevant Notes in place of the Issuer (or of any previous substitute under this Condition 19.1);

- (h) if applicable, the Substituted Issuer has appointed a process agent in New South Wales as its agent to receive service of process on its behalf in relation to any legal proceedings arising out of or in connection with the Documents and the Relevant Notes.

19.2 Substituted Issuer’s rights

Upon such substitution the Substituted Issuer shall succeed to, and be substituted for, and may exercise every right and power, of the Issuer under the Relevant Notes, the Agency Agreement, the Deed Poll with the same effect as if the Substituted Issuer had been named as the Issuer in them, and the Issuer shall be released from its obligations under the Relevant Notes, the Agency Agreement and the Deed Poll.

19.3 Further substitutions

After a substitution pursuant to Condition 19.1 (“Substitution”), the Substituted Issuer may, without the consent of any Noteholder, effect a further substitution. All the provisions specified in Condition 19.1 (“Substitution”) and Condition 19.2 (“Substituted Issuer’s rights”) shall apply mutatis mutandis, and references in these Conditions to the Issuer are taken, where the context so requires, to be or include references to any such further Substituted Issuer.

19.4 Reversing substitution

The Issuer irrevocably and unconditionally submits, and each Noteholder is taken to have submitted, to the non-exclusive jurisdiction of the courts of New South Wales and courts of appeal from them. The Issuer waives any right it has to object to any suit, action or proceedings (“**Proceedings**”) being brought in those courts including by claiming that the Proceedings have been brought in an inconvenient forum or that those courts do not have jurisdiction.

20.3 Serving documents

Without preventing any other method of service, any document in any Proceedings may be served on the Issuer by being delivered or left with its process agent referred to in Condition 20.4 (“Agent for service of process”).

Selling Restrictions

*Under the Dealer Agreement dated 28 August 2015 between the Issuer, the Arranger and the Dealer (as amended and supplemented from time to time, the “**Dealer Agreement**”) and subject to the Conditions contained in the Information Memorandum, the Notes will be offered by the Issuer through the Dealer. The Issuer has the sole right to accept any offer to purchase Notes and may reject that offer in whole or (subject to the terms of the offer) in part. Each Dealer has the right to reject any offer to purchase Notes made to it in whole or (subject to the terms of such offer) in part. The Issuer is entitled under the Dealer Agreement to appoint one or more financial institutions as a Dealer for a particular Tranche of Notes or the Programme generally. At the time of any appointment, each such financial institution will be required to represent and agree to the selling restrictions applicable at that time.*

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree to comply with any applicable law or directive in any jurisdiction in which it subscribes for, offers, sells or transfers Notes and that it will not, directly or indirectly, subscribe for, offer, sell or transfer Notes or distribute any Information Memorandum or other offering material in relation to the Notes, in any jurisdiction, except in accordance with these selling restrictions, any additional restrictions which are set out in the Pricing Supplement and any applicable law or directive of that jurisdiction.

None of the Issuer, the Arranger or any Dealer has represented that any Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or in accordance with any available exemption, or assumes any responsibility for facilitating that sale.

The following selling restrictions apply:

1 General

No action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Information Memorandum or any other offering material in any country or jurisdiction where action for that purpose is required.

Persons into whose hands this Information Memorandum comes are required by the Issuer, the Arranger and the Dealer to comply with all applicable laws and directives in each country or jurisdiction in which they purchase, offer, sell, resell, reoffer or deliver Notes or have in their possession or distribute or publish the Information Memorandum or other offering material and to obtain any authorisation, consent, approval or permission required by them for the purchase, offer, sale, reoffer, resale or delivery by them of any Notes under any applicable law or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales, reoffers, resales or deliveries, in all cases at their own expense, and neither the Issuer nor the Arranger or any Dealer has responsibility for such matters. In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.

In particular, there are restrictions on the distribution of this Information Memorandum and the offer or sale of Notes in Australia, the United Kingdom, the United States of America, Hong Kong, Japan, Singapore and the European Economic Area as set out below.

2 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Programme or any Notes has been, or will be, lodged with ASIC. Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that unless the relevant Pricing Supplement (or another supplement to any Information Memorandum) otherwise provides, it:

- (a) has not made or invited, and will not make or invite, an offer of the Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, any Information Memorandum or any other offering material or advertisement relating to any Notes in Australia,

unless:

- (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternate currency, in either case, disregarding moneys lent by the offeror or its associates) or the offer or invitation does not otherwise require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act;
- (ii) the offer or invitation does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act;
- (iv) such action complies with any applicable laws and directives in Australia; and
- (v) such action does not require any document to be lodged with ASIC.

In addition, each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will comply with the directive issued by the Assistant Treasurer of the Commonwealth of Australia dated 23rd September, 1996 as contained in Banking (Exemption) Order No. 82 which requires all offers and transfers to be in parcels of not less than A\$500,000 in aggregate principal amount. Banking (Exemption) Order No. 82 does not apply to transfers which occur outside Australia.

3 The United Kingdom

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000 (UK) (“**FSMA**”)) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

4 The United States of America

The Notes have not been and will not be registered under the Securities Act.

Terms used in the following paragraphs have the meanings given to them by Regulation S under the Securities Act (“**Regulation S**”).

The Notes may not be offered, sold, delivered or transferred within the United States of America, its territories or possessions or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S or in transactions exempt from the registration requirements of the Securities Act.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that, except as permitted under the Dealer Agreement, it will not offer, sell or deliver the Notes:

- (a) as part of their distribution at any time; and
- (b) otherwise until 40 days after completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the Lead Manager,

within the United States of America or to, or for the account or benefit of, U.S. persons.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will have sent to each distributor to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States of America or to, or for the account or benefit of, U.S. persons.

Until 40 days after the completion of the distribution of all Notes of the Tranche of which those Notes are a part, an offer or sale of Notes within the United States of America by any Dealer or other distributor (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an applicable exemption from registration under the Securities Act.

5 Hong Kong

The Notes have not been authorised by the Hong Kong Securities and Futures Commission.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that unless an applicable Pricing Supplement (or another supplement to this Information Memorandum) otherwise provides:

- (a) it has not offered or sold, and will not offer or sell, in Hong Kong, by means of any document, any Notes other than:
 - (i) to "professional investors" as defined in the Securities and Futures Ordinance (Cap. 571) (as amended) of Hong Kong ("**SFO**") and any rules made under the SFO; or
 - (ii) in other circumstances which do not result in the document being a "prospectus" as defined in the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) (as amended) of Hong Kong ("**C(WUMP)O**") or which do not constitute an offer to the public within the meaning of the C(WUMP)O; and
- (b) unless it is a person permitted to do so under the applicable securities laws of Hong Kong, it has not issued, or had in its possession for the purposes of issue, and will not issue or have in its possession for the purposes of issue, (in each case whether in Hong Kong or elsewhere) any advertisement, invitation, other offering material or other document relating to the Notes, which is directed at, or the contents of which are likely to be accessed or read by, the public in Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to "professional investors" as defined in the SFO and any rules made under the SFO.

6 Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended, the “**Financial Instruments and Exchange Act**”). Accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not, directly or indirectly, offered or sold, and will not, directly or indirectly, offer or sell, any Notes in Japan or to, or for the benefit of, a resident of Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act (Act No. 228 of 1949, as amended)) or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, a resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and other relevant laws, ministerial guidelines and regulations of Japan.

7 Singapore

This Information Memorandum has not been and will not be registered as a prospectus with the Monetary Authority of Singapore under the Securities and Futures Act, Chapter 289 of Singapore, as amended (“**Securities and Futures Act**”).

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that, unless an applicable Pricing Supplement (or another supplement to this Information Memorandum) otherwise provides, the Information Memorandum has not been and will not be registered as a prospectus with the Monetary Authority of Singapore (“**MAS**”). Accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold any Notes or caused the Notes to be made the subject of an invitation for subscription or purchase and will not offer or sell any Notes or cause the Notes to be made the subject of an invitation for subscription or purchase, and has not circulated or distributed, nor will it circulate or distribute to persons in Singapore this Information Memorandum or any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Notes, whether directly or indirectly, to any person in Singapore other than:

- (a) to an institutional investor as defined in Section 4A of the Securities and Futures Act pursuant to Section 274 of the Securities and Futures Act;
- (b) to a relevant person (as defined in Section 275(2) of the Securities and Futures Act) pursuant to Section 275(1) of the Securities and Futures Act, or any person pursuant to Section 275(1A) of the Securities and Futures Act, and in accordance with the conditions specified in Section 275 of the Securities and Futures Act; or
- (c) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the Securities and Futures Act.

Where the Notes are subscribed or purchased under Section 275 of the Securities and Futures Act by a relevant person which is:

- (1) a corporation (which is not an accredited investor (as defined in Section 4A of the Securities and Futures Act)) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (2) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary of the trust is an individual who is an accredited investor,

securities (as defined in Section 239(1) of the Securities and Futures Act) of that corporation or the beneficiaries' rights and interest (howsoever described) in that trust shall not be

transferred within six months after that corporation or that trust has acquired the Notes pursuant to an offer made under Section 275 of the Securities and Futures Act except:

- (i) to an institutional investor (under Section 274 of the Securities and Futures Act) or to a relevant person (as defined in Section 275(2) of the Securities and Futures Act), or to any person arising from an offer referred to in Section 275(1A) or Section 276(4)(i)(B) of the Securities and Futures Act;
- (ii) where no consideration is, or will be, given for the transfer;
- (iii) where the transfer is by operation of law;
- (iv) as specified in Section 276(7) of the Securities and Futures Act; or
- (v) as specified in Regulation 32 of the Securities and Futures (Offers of Investments) (Shares and Debentures) Regulations 2005 of Singapore.

8 Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (“**Relevant Implementation Date**”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Information Memorandum as completed by the Pricing Supplement in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealer nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State, the expression “**Prospectus Directive**” means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in the Relevant Member State.

9 Variation

These selling restrictions may be amended, varied, replaced or otherwise updated from time to time in accordance with the Dealer Agreement. Any change may be set out in a Pricing Supplement or in another supplement to this Information Memorandum.

Taxation

Australian Taxation

The following is a summary of certain Australian withholding tax matters, at the date of this Information Memorandum, in relation to the Notes to be issued by the Issuer under the Programme and certain other matters. It is a general guide and should be treated with appropriate caution. Prospective holders of Notes who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

1. Interest withholding tax

So long as the Issuer continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under Notes issued by it should not be subject to Australian interest withholding tax.

2. Other tax matters

Under Australian laws as presently in effect:

- (a) *death duties* - no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (b) *stamp duty and other taxes* - no *ad valorem* stamp, issue, registration or similar taxes are payable in any Australian State or Territory on the issue or transfer of any Notes;
- (c) *other withholding taxes on payments in respect of Notes* - so long as the Issuer continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Income Tax Assessment Act 1936 of Australia and section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia should not apply to the Issuer;
- (d) *supply withholding tax* - payments in respect of the Notes can be made free and clear of the "supply withholding tax" imposed under section 12-190 of Schedule 1 to the Taxation Administration Act; and
- (e) *goods and services tax ("GST")* - neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply on which no GST is payable or (in the case of an offshore subscriber) a supply which is outside the scope of the GST law. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia.

Swedish Taxation

The following is a general summary of the Issuer's understanding of current law and practice in Sweden. They relate only to the position of person who are the absolute beneficial owners of the Notes. They may not apply to certain classes of person such as dealers. It does not purport to be a complete summary of Swedish tax law and practice currently applicable and does not constitute legal or tax advice. All prospective investors in the Notes are advised to consult their own tax advisers with respect to the tax consequences under the tax laws of the country in which they are resident, of the purchase, ownership or disposition of the Notes or any interest therein. It should be noted that the tax laws of the Kingdom of Sweden may be amended with retroactive effect.

Under Swedish law as presently in effect, payments of any principal or any amount that is considered to be interest for Swedish tax purposes to the holder of any Note will not be subject to Swedish income tax, provided that such holder is neither (i) resident in Sweden for tax purposes nor (ii) engaged in trade or business in Sweden through a permanent establishment to which the Notes are effectively connected.

Swedish law, as presently in effect, does not provide for deduction or withholding for or on account of taxes on payments of any principal or interest to the holder of any Notes, except on payment of interest, and any other yield on any Notes which is paid at the same time as interest, to a holder of Notes who is a private individual (or an estate of a deceased individual) with tax residence in Sweden.

Foreign Account Tax Compliance Act and Common Reporting Standard

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a “foreign financial institution” may be required to withhold on certain payments it makes (“**foreign passthru payments**”) to persons that fail to meet certain certification, reporting, or related requirements. The Issuer is a foreign financial institution for these purposes. A number of jurisdictions (including Sweden) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (“**IGAs**”), which modify the way in which FATCA applies in their jurisdictions. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply prior to 1 January 2019. Noteholders should consult their own tax advisors regarding how these rules may apply to their investment in the Notes.

The OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (“**CRS**”) will require certain financial institutions to report information regarding certain accounts (which may include the Notes) to their local tax authority and follow related due diligence procedures. Noteholders may be requested to provide certain information and certifications to ensure compliance with the CRS. A jurisdiction that has signed the CRS Competent Authority Agreement may provide this information to other jurisdictions that have signed the CRS Competent Authority Agreement.

The proposed financial transactions tax (“FTT”)

On 14 February 2013, the European Commission published a proposal (the “**Commission’s Proposal**”) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the “**participating Member States**”). However, Estonia has since stated that it will not participate.

The Commission’s Proposal has very broad scope and could, if introduced, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances.

Under the Commission’s Proposal, the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, “established” in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States. It may, therefore, be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.
